THE LIMIT IS BASED ON PAY RATE, NOT ON COMPENSATION AMOUNT (RATE x PERCENT)

NOTE: To supplement to actual pay rate, use Title Code 3998 (Salary Supplement) and a DOS code of AAC. State funds cannot be used for supplements.

Policies for payment of additional summer compensation to academic appointees during the summer can be found in Academic Personnel Manual section 600, Appendix 1. The guidelines provide for calculation of summer pay using time factors that correspond to the number of service days during a given calendar month.
